

Mumbai, India, Monday November 22<sup>nd</sup> 2010

## **Silversheen Inks & Coatings Pvt. Ltd exhibiting at Screen Print India 2010 Expo.**

---

### **Expertise with Experience is our strength.**

Founded in **1987**, to provide quality products & services to the coatings and printing ink industries. Our strength lies in the integration of more than two decades of experience with manufacturing, formulation & understanding needs to provide dependable solutions. We at Silversheen® have worked with various chemistries & have a wide portfolio of products developed by linking quality, knowledge, innovation & sustainable development.

Despite our growth, we are holding on to our values and the **'human touch'** way of doing business. In our journey towards our goals we also make sure to fulfill our responsibilities towards our employees, the society and the environment.

“SPI 2010 Expo is a key show and ideal for showcasing Silversheen’s proven expertise and promote Inkjet forum India” says Mr Gajanan Chandavarkar, Managing Director – Silversheen. “At Silversheen we are committed to provide the best quality & novel products coupled with reliable customer service.”

**To learn more about Silversheen & Inkjet forum India please visit us at the Silversheen stand at Screen Print India 2010, booth A44 at Hall No. 5, Bombay Exhibition Centre, Goregaon (East), Mumbai, India.**
